Artist Statement / I will connect myself and those who witness humanity to joy, to intimacy, to absurdity. The human experience, and the raw layers I continue to peel from myself. The nature, an art simply by existing and surviving. And the areas uncharted, wherever - however - I may roam, I will take you with me if you wish to join.

CREATIONS

We Call the Milky Way

TEACHING

Movement Matters Teacher & Facilitator - 2022-present

Movement Matters is an outreach program inspired by Mark Morris's "Dance for Parkinson's" project. I teach movement classes at retirement and assisted living communities in Boston.

Step by Step - Fall 2022

A dance and social skills program for children with autism at the Boston Conservatory at Berklee. I assisted instruction with the lead teacher.

United Talent Dance - 2018-2021

I taught ages three through twelve 1-2 times a week in lyrical, tap, jazz, and ballet forms.
